Dear Friend of Advanced Education for SHS and Full Circle High School Students:

The cost of a post-secondary education continues to skyrocket beyond the means of most families and students. Our students graduate facing a mound of debt, limiting their future potential. Since its founding in 1990, the Somerville High School Scholarship Foundation (SHSSF) has been working hard to help offset their debt and continue building our endowment. We are proud that over the past three decades the Foundation has awarded well over a million dollars in scholarships to thousands of deserving high school students in Somerville!

As we re-emerge from the devastation of the pandemic, the Somerville High School Scholarship Foundation has decided to reinvent our raffle. The Foundation would like the proceeds from our annual raffle to help ease the burden even further, by funding one four (4) year, \$2,000 per year renewable scholarship for a highly deserving Somerville High School/Full Circle High School student. This would be in addition to all of the other \$500-\$2500 non-renewable scholarships that we award each year to students for their first year of post high school graduate degrees.

We are enclosing an application with the hope that you will once again purchase a raffle ticket to make this special scholarship available. As in years past, only 250 tickets will be sold. The raffle will once again be held at the Somerville Lions Club, May 20. The drawing will begin at 7:00 pm. Refreshments will be served. More details will be sent with your ticket.

Please send your application with a check payable to "Somerville High School Scholarship Foundation" or "SHSSF"; for your convenience we are also making this purchase available on line through Venmo (@SHSSF-72) or Pay Pal (SHS72@gmail.com). You will then receive a numbered ticket, either by postal or email to the address provided.

On behalf of the entire SHS Scholarship Foundation, we thank you for your generosity and appreciation for the enormous value that our scholarships make possible for the educational advancement of the students at Somerville High School and Full Circle High School. If you have questions, please do not hesitate to contact either one of us, or any other member of the SHSSF Board noted above. Be sure to visit and like us on Facebook Somerville High School Scholarship Foundation.

Sincerely,

Eugene C. Brune
